

Twice as Nice

What is Twice as Nice?

We are a stylish second-hand furniture and home décor shop in Tysons. Twice as Nice recently opened and offers furniture, wall art, antiques, decorative pieces and unique items at reasonable prices.

The shop is staffed by volunteers for Capital Caring, a non-profit organization which has helped hundreds of thousands of patients and family members for almost 40 years. One hundred percent of all proceeds from Twice as Nice sales help provide hospice and palliative care for patients with advanced illness—regardless of their ability to pay. Capital Caring also provides counseling for their families.

How do I donate?

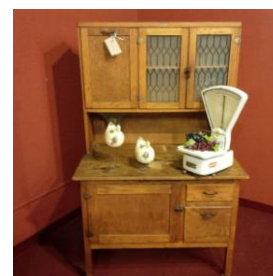

You can donate furniture and other home décor pieces directly to the shop or call us at 703-752-1045 for free pickup.
